Episode #5. "Saved by the Sun"

\* \* \*

Fredrick and his father escape from the pirate's cave where they have been menaced by alligators and get back to the family just in time to welcome a carrier pigeon let loose by Emily, who was believed dead but is held prisoner by the pirates. Fredrick sets out through the jungle to rescue her while the family builds a house in the top of a tree as a refuge from prowling beasts.

Fredrick finds Emily alone in the shack, but is accosted by Sir Charles who takes delight in at last having him at his mercy. Fredrick snatches a sword from the wall and duels Sir Charles, disarming him and throwing away his sword to battle the pirates leader with his fists, but he is overcome by the crew after a stiff resistance and sentenced to walk the plank over a cliff into the shark pool.

Emily remembers that there is to an eclipse of the sun at noon and saves Fredrick by cowing the superstitious crew with her power to shut off the light of the sun.
